

12-22 at 12-22 North

Vermont Lights the Way

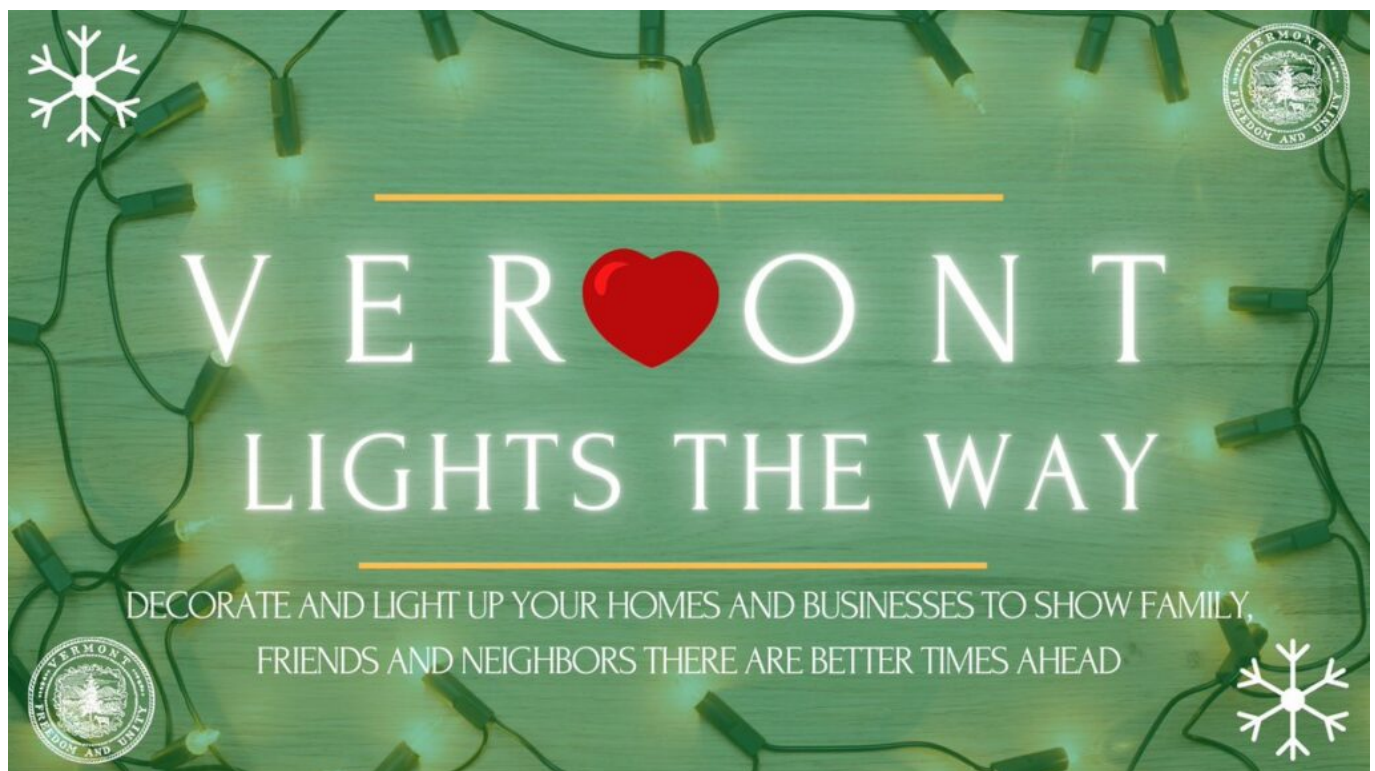

Governor Scott put forth the challenge to light up Vermont, so let's bring this festival of light to our neighborhood. On December 22, the day after the solstice, we will celebrate the "coming of the light" and celebrate our strength and community - safely, together.

During the day, 12-22 North will get things started with some music and discounted takeaway lunch from Healthy Kingdom in our alleyway from noon - 3pm. Once it gets dark by 5pm, we'll have a small celebration to show off a recycled lights display on our building. We encourage others in the neighborhood to get creative with holiday lights to be put on the map for a walking tour of the Old North End.

Save the date to bundle up and light up the holiday season on December 22nd with us, or tune in virtually to our lighting livestream.
